Subject: Request for Recruitment – Muhammad Rafi Anjum s/o Subedar Hazir Khan (Shaheed)

Respected Sir,

I am Asia Bibi, widow of **Subedar Hazir Khan (Late)**, who embraced Shahadat in **55 BR Unit (2018)**. I am writing this with great hope for my son, **Muhammad Rafi Anjum** (CNIC: 36502-2733262-9, DOB: 09/01/2006).

My son has completed his **ICS** and is deeply committed to the Pakistan Army. He previously appeared for **ISSB** but was **Not Recommended**. Despite this, his passion for the uniform remains, and he now wishes to serve as a **Clerk (Technical/General)** or in the **Army Medical Corps (AMC)**.

Sir, as a martyr's widow managing **three sons and one daughter** alone, I am facing severe financial hardships. The responsibility of their upbringing and education is becoming increasingly difficult to bear. My son's recruitment is not just his dream, but a necessity for our family's survival and a way to honor his father's sacrifice.

I humbly request your kind intervention to provide him with maximum relief under the **Shaheed Quota/Wards category**. His induction would provide a lifeline to our family and ensure that a Shaheed's blood continues to serve the soil of this country.

All relevant documents, including his father's Shahadat record and his ISSB result, are attached for your kind perusal.

Yours Sincerely,

Asia Bibi Widow of Subedar Hazir Khan (Shaheed)
